12 51 01 PRIVATE OFFICES
Elective Elements is a freestanding office system designed to address the changing workspace requirements in today’s private and open-plan environments. Elective Elements can be applied in a range of settings including private office freestanding, wall-attached private office, open plan freestanding, and open plan panel-attached.
ELECTIVE ELEMENTS 6

PRICE RANGE: HIGH

DETAILS:
- A broad range of rich materials options including composite wood veneers, glass storage and modesty panels, metal paint finishes and fabrics create an array of aesthetic options
- Elective Elements worksurfaces can be height adjusted (worksurfaces have a range of 3” in ½” increments), and come in a range of top shapes and edge profiles designed to support today’s work styles
- Open storage, and layered worksurfaces provide piling surfaces for anticipated work
- One-high lateral files specified with cushion tops maximize space and provide an alternative seating solution. Lateral files can also be specified with wood or laminate tops
- Application flexibility includes a clean, simple technology interface that allows users to customize their workspace to their individual needs
- Mobile workers are accommodated with convenient plug-and-play capabilities. Hinged grommets disguise desktop access to power and data
- Built on a 6” module
- Universally compatible with systems panels for Montage, Answer and Privacy Wall GS
- 16 wood finishes

DURABILITY:
Steelcase Lifetime Warranty

ENVIRONMENTAL:
Certain models available as a Cradle to Cradle CM certified product
