The construction of the new Campbell Sports Center and the Boathouse Marsh will provide Columbia University student-athletes with state-of-the-art facilities while increasing public access to the waterfront, restoring and extending the area's native marshland adjacent to Inwood Hill Park, and creating an opportunity for increased educational and recreational activities for the community.

Construction Activities for the Weeks of:
July 16, 2012 and July 23, 2012

Campbell Sports Center (West 218th Street and Broadway)

What is happening

- Concrete pour of first floor infill slab
- Layout and installation of façade and soffit systems, components and waterproofing
- Layouts and sheetrocking of interior partitions, tile work, epoxy flooring, fireproofing and installation of stairs
- Installations of piping, MEP equipment, diffusers, and insulation including electrical conduit and ductwork
- Mechanical tie-ins and testing of MEP systems including elevator
- Framing, sheathing and blocking in auditorium including folding partition installation work

What to expect

- Regular work hours: 7:00 a.m.—6:00 p.m.
  - Possible limited construction on Saturday
  - Certain equipment may be delivered during off-hours pending DOT oversize load requirements
- Con Edison may begin incoming service work to the site which would impact traffic going south on Broadway and on West 218th Street along the site
- The north side of West 218th Street from Broadway to Park Terrace East and the western parking lane along Broadway from the NW corner for approximately 200 feet north toward West 219th Street will remain closed until summer 2012
- Sidewalk bridge from the edge of the soccer bleachers to the northwest corner of Broadway and West 218th Street along the west side of Broadway and from Broadway to approximately Park Terrace East along the north side of West 218th Street will be in place through summer 2012.
- The main roadway into Baker Athletics Complex will be closed. Pedestrian traffic into Baker Field will be re-routed to the Class of 1905 Gate near the football stadium.

(over)
Boathouse Marsh (West 218th Street and Indian Road)

What is happening

- Installation of site fencing
- Site surveying
- Site clearing
- Tree/Environmental protection (please note that while several trees will be removed, over 30 new trees will be planted at the Boathouse Marsh as part of this project in coordination with the Parks Department)
- Cassion drilling
- Pest control using Integrated Pest Management principles

What to expect

- Regular work hours, Monday thru Friday from 7am to 3:30pm
- Increased activity around Remmer Boathouse area
- Surveying crew on-site
- Increased access driveway utilization and construction staging
- Some noise from construction equipment

*Please note that all activities are subject to change based on weather and other field conditions*
