The construction of the new Campbell Sports Center and the Boathouse Marsh will provide Columbia University student-athletes with state-of-the-art facilities while increasing public access to the waterfront, restoring and extending the area’s native marshland adjacent to Inwood Hill Park, and creating an opportunity for increased educational and recreational activities for the community.

Construction Activities for the Weeks of:
December 26, 2011 and January 2, 2012

Campbell Sports Center (West 218th Street and Broadway)

What is happening

- Delivery and installation of additional steel and concrete planks
- Installation of exterior stone walls and interior concrete masonry unit walls
- Encasement of columns on first floor in concrete and grout concrete planks
- Installation of temporary switchgear
- Installation of footing and formwork for additional site work and parapet walls with concrete pours to follow
- Survey and layout work in preparation for installation of facade elements
- Installation of hangars for MEP systems

What to expect

- Regular work hours: 7:00 a.m.—6:00 p.m.
- No work on December 24th-26th and December 31st
- Traffic changes per DOT stipulations through March 2012:
  - Construction work will occupy the two westbound lanes on West 218 Street (parking lane and driving lane) from Broadway to approximately Park Terrace East
  - The two eastbound lanes (parking lane and driving lane) on West 218 Street (from Broadway to Park Terrace East) will be split to accommodate one eastbound driving lane and one westbound driving lane
  - No parking on north or south sides of West 218 Street from Broadway to Park Terrace East
  - No parking on the west side of Broadway from West 218 Street northward for approximately 110 feet
Construction Update

Campbell Sports Center / Boathouse Marsh

Construction Activities for the Next Two Weeks

- No pedestrian access on the north side of West 218th Street between Broadway and Park Terrace West. Pedestrian access will be maintained on the south side of West 218th Street.
- Temporary traffic control personnel will be present to assist as needed
- The main roadway into Baker Field will be closed. Pedestrian traffic into Baker Field will be re-routed to the Class of 1905 Gate near the football stadium.

-Please note that all activities are subject to change based on weather and other field conditions-
