The construction of the new Campbell Sports Center and the Boathouse Marsh will provide Columbia University student-athletes with state-of-the-art facilities while increasing public access to the waterfront, restoring and extending the area’s native marshland adjacent to Inwood Hill Park, and creating an opportunity for increased educational and recreational activities for the community.

Construction Activities for the Weeks of: October 17, 2011 and October 24, 2011

Campbell Sports Center (West 218th Street and Broadway)

What is happening

- Installation of utilities within the site
- Installation of formwork for foundation walls, footings and pits - including related rebar installation
- Forming and pouring crane pad on West 218th Street
- Pouring of concrete footings, walls and pits
- Backfill interior footings, pit and trenches
- Drill hole for elevator jack
- Permit issuance pending, trenching in street to install site utilities will commence

What to expect

- Regular work hours: 7:00 a.m. – 6:00 p.m.
  - Please note that certain construction equipment may be delivered after hours pending DOT oversize load requirements
  - Please note that utility and trenching work may take place after hours depending or jurisdictional approvals
- Traffic changes per DOT stipulations:
  - Effective 10/11/2011 until March 2012, construction work will occupy the two westbound lanes on West 218 Street (parking lane and driving lane) from Broadway to approximately Park Terrace East
    - The two eastbound lanes (parking lane and driving lane) on West 218 Street (from Broadway to Park Terrace East) will be split to accommodate one eastbound driving lane and one westbound driving lane

(over)
Campbell Sports Center / Boathouse Marsh

Construction Activities for the Next Two Weeks

- No parking on north or south sides of West 218 Street from Broadway to Park Terrace East until March 2012
- No parking on the west side of Broadway from West 218 Street northward for approximately 110 feet until March 2012
- No pedestrian access on the north side of West 218th Street between Broadway and Park Terrace West until March 2012. Pedestrian access will be maintained on the south side of West 218th Street.
- Temporary traffic control personnel will be present to assist as needed
- Please note that the installation of the crane pad will involve delivery trucks and intermittent closures of West 218th Street. The crane pad and crane will be in place for up to five months.
- The main roadway into Baker Field will be closed. Pedestrian traffic into Baker Field will be rerouted to the Class of 1905 Gate near the football stadium.

Need More Information?

- For project updates and information, please visit http://facilities.columbia.edu/projects
- For project questions or concerns e-mail projx@columbia.edu or call our Services Center at 212-854-2222, 24 hours a day, seven days a week
- For any other community issues, please contact your community liaison, Sandra Harris, Assistant Vice President for Government and Community Affairs, at 212-305-6359 or sh533@columbia.edu.
