The construction of the new Campbell Sports Center and the Boathouse Marsh will provide Columbia University student-athletes with state-of-the-art facilities while increasing public access to the waterfront, restoring and extending the area’s native marshland adjacent to Inwood Hill Park, and creating an opportunity for increased educational and recreational activities for the community.

Construction Activities for the Weeks of: September 26, 2011 and October 3, 2011

Campbell Sports Center (West 218th Street and Broadway)

What is happening

- Installation of formwork for forming foundation walls, footings and pits including related rebar installation
- Pouring of concrete footings and walls
- Earth screening and stockpiling for backfill
- Set sleeves, run sanitary lines and install conduit to support several utility tie-ins and services to the perimeter of the site

What to expect

- Regular work hours: 7:00 a.m. – 6:00 p.m.
- Parking lane and partial sidewalk closing along the project site on West 218th Street and Broadway. Pedestrian access will be maintained.
- Please note that certain construction equipment may be delivered during off-hours pending DOT oversize load requirements.
- The main roadway into Baker Field will be closed. Pedestrian traffic into Baker Field will be re-routed to the Class of 1905 Gate near the football stadium.

-Please note that all activities are subject to change based on weather and other field conditions-
