Construction Update for the weeks of April 20, 2015 and April 27, 2015

Although contractors carefully stage construction activities to minimize disruption to the surrounding community, the nature of construction work is such that some disruptions will occur. The community should expect the following in the coming weeks:

What is Happening

- Framing partition walls
- Electrical roughing, installation of light fixtures
- Duct work, installation of copper lines and AC-4 unit
- Plumbing work on 3rd, 4th and 5th floors; install bath fixtures
- Continue roughing for fire sprinkler system
- Complete terrazzo floor installation in re-route areas
- Continue tile work in 4th floor bathrooms
- Install AV equipment
- Fireproof beams
- Continue millwork, including fasteners for installation and metal beams

What to Expect

The community should expect the following in the coming weeks:

- Delivery of materials
- Some noise due to construction-related activities
- Corridor traffic and noise
- Removal of construction debris

*Please note that all activities are subject to change based on weather and other field conditions*
