The construction of the new Campbell Sports Center and the Boathouse Marsh will provide Columbia University student-athletes with state-of-the-art facilities while increasing public access to the waterfront, restoring and extending the area’s native marshland adjacent to Inwood Hill Park, and creating an opportunity for increased educational and recreational activities for the community.

Construction Activities for the Weeks of:
July 25, 2011 and August 1, 2011

**Campbell Sports Center (West 218th Street and Broadway)**

**Construction Mobilization**

**What is happening**

- On-site mobilization for excavation work to begin the week of August 1st (pending permit approval and issuance.) This work will include the installation of site fencing, delivery of excavation equipment to the site and survey work.

**What to expect**

- Regular work hours: 7:00 a.m.—6:00 p.m.
- Partial sidewalk closing along the project site on West 218th Street and Broadway. Pedestrian access will be maintained.
- The main roadway into Baker Field will be closed. Pedestrian traffic into Baker Field will be re-routed to the Class of 1905 Gate near the football stadium.
- Please note that certain construction equipment may be delivered during off-hours pending DOT oversize load requirements.

*Please note that all activities are subject to change based on weather and other field conditions*
