3595 Broadway

Construction Update for the weeks of October 1, 2012 and October 8, 2012

Project Scope

Columbia University is constructing a new 12-story building at 3595 Broadway on the southwest corner of Broadway and 148th Street. The Meeting with God Church, currently located at 3581 Broadway at 147th Street, will be moving into the ground level space of this new building. The remaining areas of the new building will include affordable housing units for some residents currently living in the area of Manhattanville in West Harlem where the University is building a new campus.

The building is expected to be completed by fall 2014.

What to Expect

We are currently in the pre-construction phase of the project. The community should expect the following in the coming weeks:

- Conduction of pre-construction surveys to document the existing conditions of the neighboring properties
