Construction Update for the weeks of September 22, 2014 and September 29, 2014

What is Happening

- Mechanical, electric, plumbing and sprinkler, scaffold, exterior hoist, masonry, concrete plank/stairs and steel work

New this Week

- After hours work for hoist jumps on Wednesday September 24 and Tuesday September 30 into the late evening in compliance with Department of Building permitted hours

What to Expect

The community should expect the following in the coming weeks:

- Regular weekday work hours: 7:00 a.m. — 4:00 p.m. Saturday work hours: 9:00 a.m. — 6:00 p.m.
- Some noise due to trucking, compacting, concrete pours, and other construction-related activities
- Handheld electric powered tools, truck crane for plank, and trucks on site as required for superstructure concrete, scaffold and masonry work
- Parking lane closures around the project site. Parking reconfigured per DOT regulations

-Please note that all activities are subject to change based on weather and other field conditions-

Need More Information?
