The construction of the new Campbell Sports Center and the Boathouse Marsh will provide Columbia University student-athletes with state-of-the-art facilities while increasing public access to the waterfront, restoring and extending the area’s native marshland adjacent to Inwood Hill Park, and creating an opportunity for increased educational and recreational activities for the community.

**Construction Activities for the Weeks of:**
**August 15, 2011 and August 22, 2011**

**Campbell Sports Center (West 218th Street and Broadway)**

**What is happening**

- **Week of August 15th**
  - Site clearing, site grading and retaining wall installation on the west side of the site
  - Site preparation for placement of construction trailers
  - Earth removal and start of retaining wall installation on the north side of the site
  - Installation of signage and DOT permits

- **Week of August 22nd**
  - Delivery of construction trailers to the site (to take place before 7am per DOT regulations)
  - Continuation of earth removal and installation of retaining wall or north side of the site
  - Start of footing and wall excavation on east side of the site

**What to expect**

- Regular work hours: 7:00 a.m.—6:00 p.m.
- Parking lane and partial sidewalk closing along the project site on West 218th Street and Broadway. Pedestrian access will be maintained.
- Please note that certain construction equipment may be delivered during off-hours pending DOT oversize load requirements.
- The main roadway into Baker Field will be closed. Pedestrian traffic into Baker Field will be re-routed to the Class of 1905 Gate near the football stadium.

*Please note that all activities are subject to change based on weather and other field conditions.*
