Construction Update for the weeks of

Although contractors carefully stage construction activities to minimize disruption to the surrounding community, the nature of construction work is such that some disruptions will occur. The community should expect the following in the coming weeks:

What is Happening

- HVAC work
- Installation of partitions
- Painting
- Install high density fiberboard panels
- Flooring work
- Finish AV installations/testing
- Blind installations

What to Expect

The community should expect the following in the coming weeks:

- Delivery of materials
- Some noise due to construction-related activities and demolition
- Corridor traffic and noise
- Removal of construction debris
- Saturday work anticipated

*Please note that all activities are subject to change based on weather and other field conditions.*
