The construction of the new Campbell Sports Center and the Boathouse Marsh will provide Columbia University student-athletes with state-of-the-art facilities while increasing public access to the waterfront, restoring and extending the area’s native marshland adjacent to Inwood Hill Park, and creating an opportunity for increased educational and recreational activities for the community.

Construction Activities for the Weeks of:
February 27, 2012 and March 5, 2012

Campbell Sports Center (West 218th Street and Broadway)

What is happening

- Layout and installation of façade systems and components
- Layouts of interior partitions
- MEP roughing and coring as required for systems
- Installations of sprinkler piping, risers and ductwork
- Additional setting, welding and grouting of auditorium concrete plank
- Final placement of rooftop chillers

What to expect

- Regular work hours: 7:00 a.m.—6:00 p.m.
  - Certain equipment may be delivered during off-hours pending DOT oversize load requirements
  - Limited construction on Saturday, March 3rd
- The north side of West 218th Street from Broadway to Park Terrace East and the western parking lane along Broadway from the NW corner for approximately 200 feet north toward West 219th Street will remain closed until summer 2012
- Sidewalk bridges from the edge of the soccer bleachers to the northwest corner of Broadway and West 218th Street along the west side of Broadway and from Broadway to approximately Park Terrace East along the north side of West 218th Street will be in place through summer 2012.
  - The sidewalk bridge along Broadway may be shifted temporarily during Con Edison work during this time period. Safe pedestrian access along Broadway will be maintained.
- The main roadway into Baker Athletics Complex will be closed. Pedestrian traffic into Baker Field will be re-routed to the Class of 1905 Gate near the football stadium.
