This booklet contains CUF pre-approved options for fluorescent and LED fixtures. Any fixture not specifically shown herein requires Design Development Phase approval from CPM and Operations prior to proceeding into Construction Drawings. No substitutions are allowed for LED fixture componentry (they must be Philips.)
**CUF pre-approved options**

(graphic images are a representative sample. See mfr’s website for additional options meeting these criteria)

Criteria: LED (Philips componentry) / Quickship

---

**Ledalite**

- LED ArcForm (36) Recessed
  - Price: $$$
- LED PureFX (94) Recessed
  - Price: $$$
- LED Vectra (97) Recessed
  - Price: $$$
- LED Voice (98) Recessed
  - Price: $$$

---

Criteria: LED (Philips componentry) / 4 weeks lead time

**Ledalite**

- LED BoldPlay (78) Suspended
  - Price: $
- LED Chopstick (75) Suspended
  - Price: $
- LED Sync (74) Suspended
  - Price: $
- LED Verge (76) Suspended
  - Price: $

---

**Lightolier**

- LED Jump (12) Suspended
  - Price: $$$

---

[Square Aperture] [Round Aperture]
**CUF pre-approved options**

(graphic images are a representative sample. See mfr’s website for additional options meeting these criteria)

**Criteria:** T5 fluorescent (max 4’ lamp length) / Quickship
