The construction of the new Campbell Sports Center and the Boathouse Marsh will provide Columbia University student-athletes with state-of-the-art facilities while increasing public access to the waterfront, restoring and extending the area’s native marshland adjacent to Inwood Hill Park, and creating an opportunity for increased educational and recreational activities for the community.

Construction Activities for the Weeks of:
December 3, 2012 and December 10, 2012

Campbell Sports Center (West 218th Street and Broadway)

What is happening
- Installation of remaining façade, metal panel railings, canopy and exterior components
- Installation of remaining glazing and hardware
- Mechanical and electrical tie-ins and testing of MEP systems, startup of systems
- Installation of security, telecommunications, and low voltage wiring
- Exterior site work (weather permitting): walkways, curbs, grading, landscaping, fencing and sidewalk work

What to expect
- Regular weekday work hours: 7:00 a.m. – 6:00 p.m.
  - Limited work on Saturday
  - Equipment may be delivered during off-hours pending DOT oversize load requirements
- The north side of West 218th Street from Broadway to Park Terrace East and the western parking lane along Broadway from the NW corner for approximately 200 feet north toward West 219th Street will remain closed
- Sidewalk bridge from the edge of the soccer bleachers to the northwest corner of Broadway and West 218th Street along the west side of Broadway and from Broadway to approximately Park Terrace East along the north side of West 218th Street may be reconfigured during this time. New sidewalk work may also take place in which case pedestrian access along Broadway may impacted.
- The main roadway into Baker Athletics Complex will be closed. Pedestrian traffic into Baker Field will be rerouted to the Class of 1905 Gate near the football stadium.

(over)
