The construction of the new Campbell Sports Center and the Boathouse Marsh will provide Columbia University student-athletes with state-of-the-art facilities while increasing public access to the waterfront, restoring and extending the area’s native marshland adjacent to Inwood Hill Park, and creating an opportunity for increased educational and recreational activities for the community.

Construction Activities for the Weeks of:
September 3, 2012 and September 10, 2012

Campbell Sports Center (West 218th Street and Broadway)

What is happening
- Installation of façade and soffit systems, exterior stairs and railings
- Sheet rocking of interior partitions and ceiling, HM doors and hardware
- Installations of piping, MEP equipment, diffusers, and insulation including electrical conduit and ductwork
- Mechanical and electrical tie-ins and testing of MEP systems including elevator
- Finish paneling in Auditorium and Hospitality
- Install flooring door frames and millwork
- Exterior site work including parking lot, walkway, curbs, and grading

What to expect
- Regular work hours: 7:00 a.m. – 6:00 p.m.
  - Possible limited construction on Saturday
  - Equipment may be delivered during off-hours pending DOT oversize load requirements
- The north side of West 218th Street from Broadway to Park Terrace East and the western parking lane along Broadway from the NW corner for approximately 200 feet north toward West 219th Street will remain closed
- Sidewalk bridge from the edge of the soccer bleachers to the NW corner of Broadway and West 218th Street along the west side of Broadway and from Broadway to approximately Park Terrace East along the north side of West 218th Street will be in place through summer 2012
- The main roadway into Baker Athletics Complex will be closed. Pedestrian traffic into Baker Field will be re-routed to the Class of 1905 Gate near the football stadium.

(over)
Boathouse Marsh (West 218th Street and Indian Road)

What is happening

- Site cutting/fill (earthwork)
