

Bid Opportunity

Columbia University Manhattanville

Slurry Wall and Foundation Projects

Over the next three decades, Columbia's long-term plan for the old Manhattanville manufacturing area will revitalize the four former industrial blocks from 125th/129th to 133rd Street between Broadway and 12th Avenue, and three small blocks along the east side of Broadway from 131st to 134th Street, into an environmentally sustainable and publicly accessible center for academic and civic life woven into the fabric of the West Harlem community.

Opportunity

Bovis Lend Lease, acting as a Construction Manager for Columbia University, is currently soliciting qualified subcontractors and vendors, including Minority Business Enterprises (MBE), Women Business Enterprises (WBE) and Local Business Enterprises (LBE) for the Columbia University Manhattanville Slurry Wall and Foundation Projects.

This project includes deep excavation, tiebacks, installation of piles, load bearing elements, concrete for slurry walls, mat foundation, structural and rebar steel, dewatering, water proofing, and sub-surface preparation.

The subcontracting opportunities are available with Civil and Foundation Trade Contractors who are bidding the below grade work at the Manhattanville project. The anticipated award date for this project is October 2010, with work commencing soon thereafter.

Bid Period

May–August 2010

Project Background

Columbia is developing its new academic, mixed-use campus in the Manhattanville area of West Harlem over a 25 year period. The 17 acre academic, mixed-use program is located approximately between Broadway and 12th Avenue, from the north side of West 125th Street to the south side of 133rd Street.

*As a Harlem-based institution, the University principally defines its "local" catchment area as those communities located in the zip codes that contain, in whole, or in part, the census tracts of the federally mandated New York Empowerment Zone (NYEZ). In Manhattan, this area is defined as Upper Manhattan, or all points north of 96th Street, river to river. The zip codes of Upper Manhattan are: 10025, 10026, 10027, 10029, 10030, 10031, 10032, 10033, 10034, 10035, 10037, 10039 and 10040. In the Bronx, this area is defined by the following zip codes: 10451, 10454, 10455 and 10474. Contractors are deemed to be local if they maintain a primary business address, or have a significant administrative business presence, in one of these zip codes.
